New Specialties Added to eReferral

December 7, 2018

On Dec. 6, 2018, three new specialties were added to Alberta Netcare eReferral. Physicians and clinical support staff can now submit Consult Requests (i.e. requests for in-person appointments with specialists) for the following specialties:

Specialty	AHS Zone
Gastroenterology (Fit + Non SCOPE)	Edmonton
*Breast Health	Calgary
*Nephrology - Northern Alberta Renal Program	North, Edmonton & Central
Oncology – Breast Cancer	All
Oncology – Lung Cancer	All
Orthopaedic Surgery – Hip & Knee Joint Replacement	All
*Pulmonary Medicine	Calgary
Urology – Adult services only	Edmonton

**New specialties added to eReferral Consult Request on Dec. 6, 2018.*

When submitting a Consult Request, physicians can see approximate wait times for each provider, and choose appointments with a “Next Available” specialist or a specific provider.

For reasons for referral, go [online](#).

eReferral Advice Request

For a full list of specialties accepting eReferral Advice Requests, (i.e. non-urgent questions sent to a specialist that are responded to within five calendar days) visit the [Alberta Netcare Learning Centre](#).

Training & Support

Need eReferral help? To join a weekly webinar or to ask questions, contact the eHealth Support Services team at 1-855-643-8649 or email ehhealthsupport@cgi.com
