

Advice request & consult request release update

On June 29, new specialties were added to eReferral for advice requests and consult requests.

Advice requests

Advice requests allow physicians to ask non-urgent clinical questions to specialists within their Zone. The following specialties are responding to advice requests (as of June 2018):

Specialty	Zone				
	South	Calgary	Central	Edmonton	North
Cardiology			X		
Chronic Pain		X			
Gastroenterology			X		
General Surgery (Breast)		X			
Infectious Disease				X	
OBS/GYN				X	
Otolaryngology			X		
Urology			X		
Urology (Paeds)				X	
Ophthalmology (Adult & Paeds)	X	X	X	X	X
Palliative Medicine		X			

Consult requests

Consult requests are open for limited specialties and allow physicians to request in-person consultations with a specialist.

The following specialties are responding to consult requests (as of June 2018):

Specialty	Zone				
	South	Calgary	Central	Edmonton	North
Adult Gastroenterology (SHARP)				X	
Urology (at the Northern Alberta Urology Centre)				X
