1. Non-summative Reports from Connect Care have been Cancelled

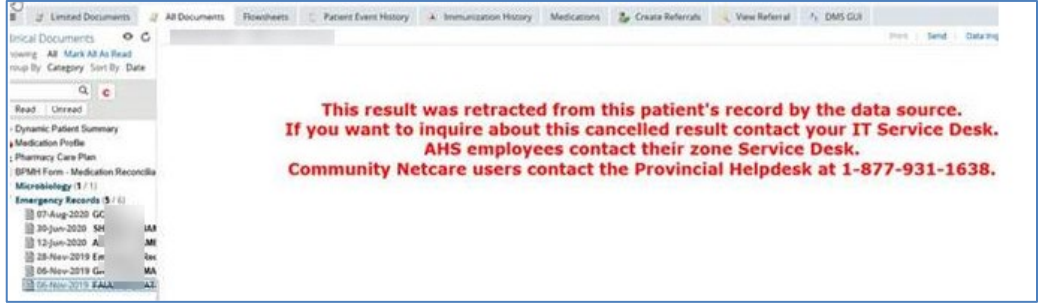

Description:	Cancellation of non-summative Connect Care note types in Netcare.
Details:	<p>In an effort to manage inappropriate/unnecessary information displaying in Netcare, the following Connect Care Note Types will display a cancelled status in the Netcare CDV Tree as of October 15, 2020.</p> <ol style="list-style-type: none"> 1. Procedures 2. Transfer Note 3. ED Procedure Note 4. Teleconsult 5. Anesthesia Post-Procedure Evaluation 6. Trauma Tertiary Assessment 7. Radiation Completion Note
Example:	 <p>The screenshot shows a Netcare interface with a list of documents on the left and a main content area. A red warning message is overlaid on the main content area, stating: "This result was retracted from this patient's record by the data source. If you want to inquire about this cancelled result contact your IT Service Desk. AHS employees contact their zone Service Desk. Community Netcare users contact the Provincial Helpdesk at 1-877-931-1638." The document list on the left includes items like "Dynamic Patient Summary", "Medication Profile", "Pharmacy Care Plan", "BPMH Form - Medication Reconciliation", "Microbiology (1 / 1)", and "Emergency Records (5 / 6)". The bottom of the list shows a "Trauma Tertiary Assessment" report dated 20-10-2019, which is the focus of the enhancement.</p>
