<b>What's New</b> .....	2
<b>FAST Letters</b> can now be generated using the new <b>"Create and Attach Letter"</b> option within the Workflow menu.....	2
<b>New facility</b> added to <b>eReferral Advice Request</b> .....	4

## What's New

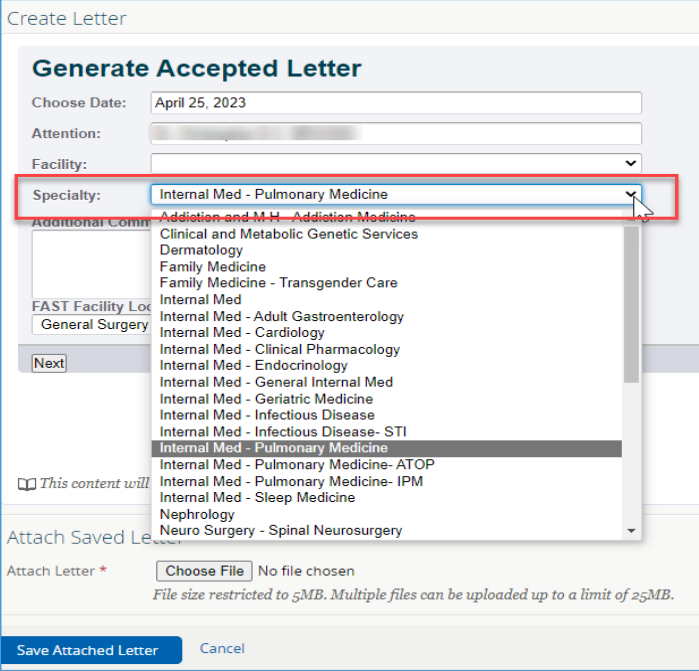

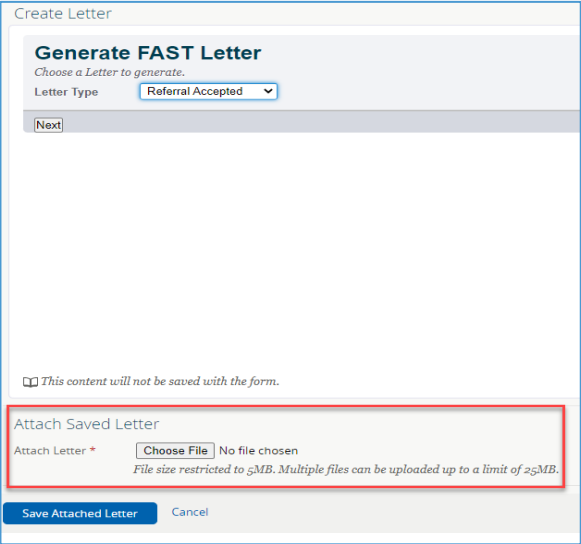

*FAST Letters can now be generated using the new "Create and Attach Letter" option within the Workflow menu*

**Description:** "Create and Attach Letter" has been added to the eReferral workflow menu.

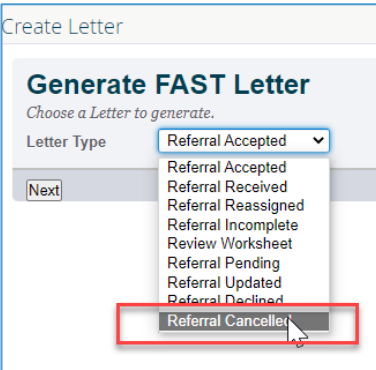

**Details:** The Facilitated Access to Specialized Treatment (FAST) program letters column has been removed from the worklists in the Triage Referrals dashboard. FAST letters can be generated from the newly added workflow option called "Create and Attach Letter."

**Details:** The "Specialty" section on the FAST letters has been updated with a new dropdown field that allows the user to select a different specialty from the list of specialties in eReferral.

	 <p>Create Letter</p> <p><b>Generate Accepted Letter</b></p> <p>Choose Date: April 25, 2023</p> <p>Attention:</p> <p>Facility:</p> <p>Specialty: Internal Med - Pulmonary Medicine</p> <p>Additional Comments</p> <p>FAST Facility Location: General Surgery</p> <p>Next</p> <p>Attach Saved Letter</p> <p>Attach Letter * Choose File No file chosen File size restricted to 5MB.
