

BIG IDEAS

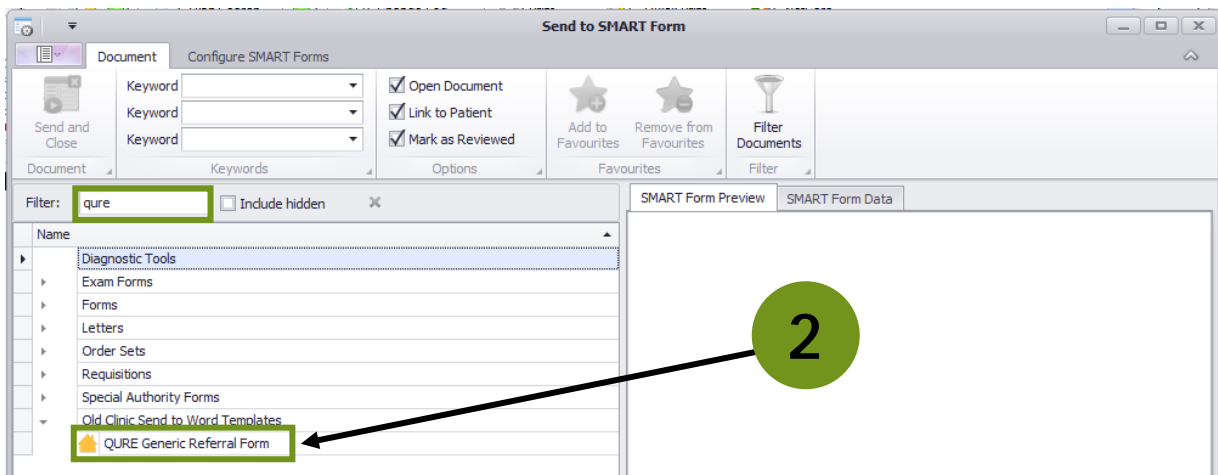

Use the QuRE Generic Referral Form in TELUS Wolf EMR

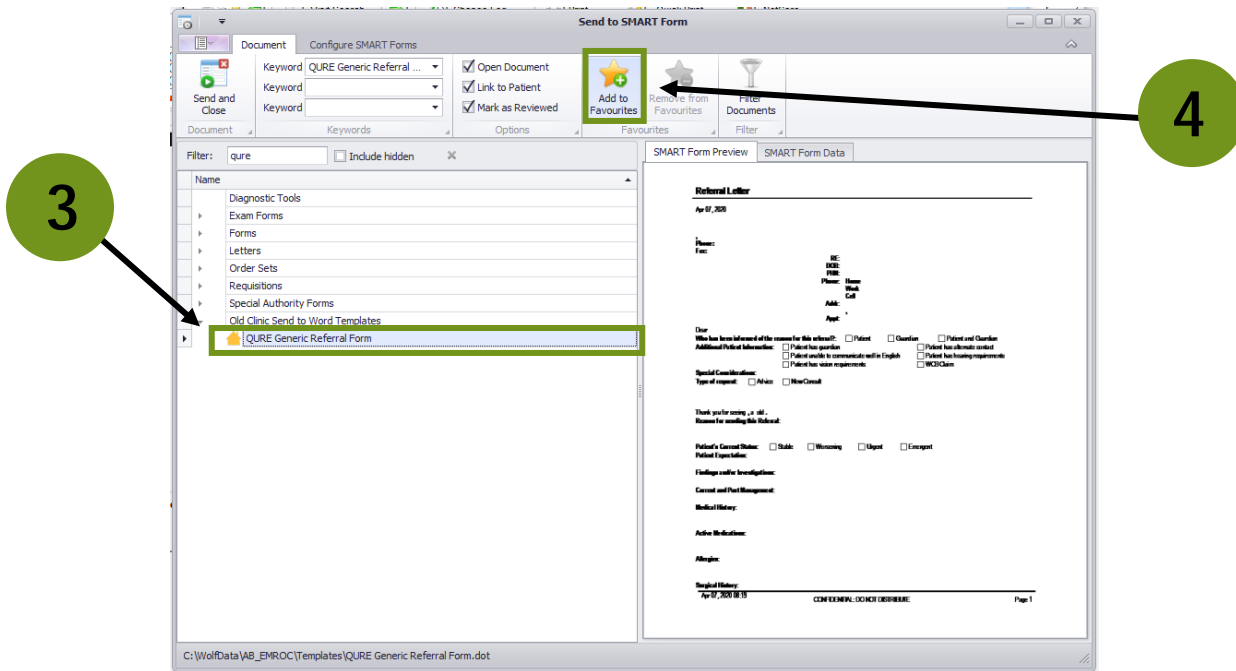

1. Within the patient's chart, right-click on the physician's workdesk and select **SMART Forms**.

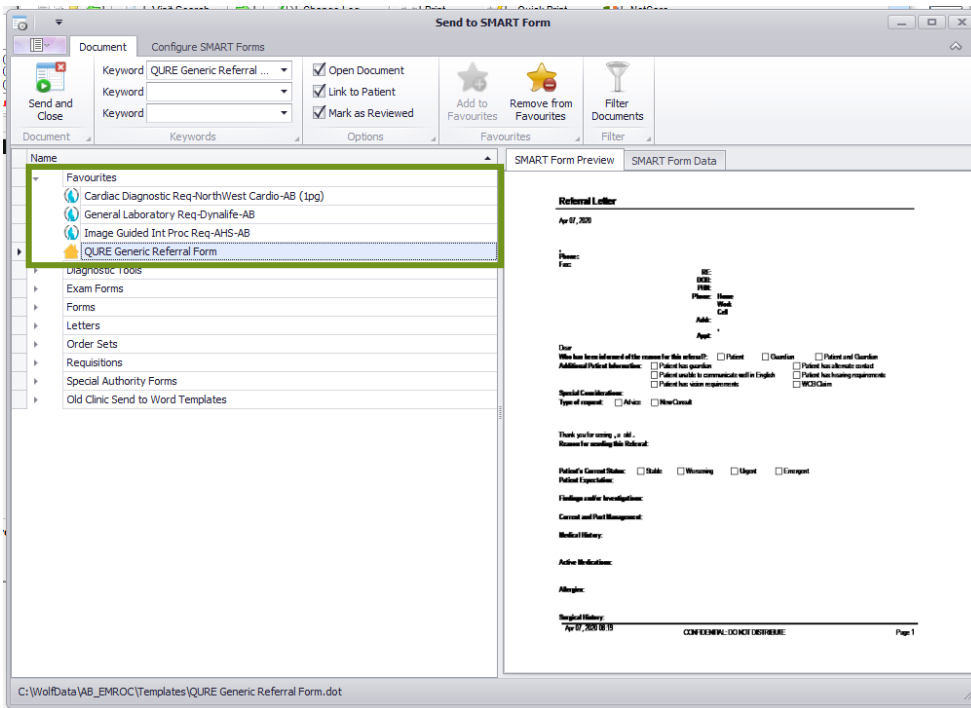

2. Within the **SMART Forms** window, search for "QuRE" in the **Filter** box. The **QuRE Generic Referral Form** will appear in the **Name** box below.

3. Click on the **QuRE Generic Referral Form**.
4. Select **Add to Favourites**.

- The **QURE Generic Referral Form** should now be visible in your **Favourites** list.

Now that the **QURE Generic Referral Form** is favoured, you can find it under **SMART Forms** on the physician's workdesk within the patient's chart.

NOTE: To submit this in Alberta Netcare eReferral, see this [Big Ideas: Attach a TELUS WOLF EMR form to an eReferral](https://bit.ly/345N9Cr) (https://bit.ly/345N9Cr)
