eReferral Consult Request Changes for Internal Med – Adult Gastroenterology in the Edmonton Zone

On March 25, 2021, changes were made to the requirements for the following three Internal Med – Adult Gastroenterology Consult Request reasons for referral:

- Dyspepsia
- Helicobacter pylori (H. pylori) infection
- Fecal Immunochemical Test (FIT) positive finding

Please review these new requirements on Alberta Netcare in the eReferral Health Services Catalogue. To view the associated clinical pathways, go [online](#).

For eReferral training support, visit the [Alberta Netcare Learning Centre](#) for quick references and e-training videos. For additional support, please contact the eHealth Netcare Support Services team at 1-855-643-8649 or email ehealthsupport@cgi.com
